Hi Dave,

Forgot to give you this location. Here are the picture from the press event. Above is the link to my fall pictures albums. Click on the album for the Press conference. Sorry I was trying to get permission of the dancing girls at the event, but they would not let me publish their pics-- maybe next time...?

Lenny

PS,

If you have trouble with the link above, use this one to the main site  
click on Lenny's Pics  
then Fall 2011 memories  
then Lister Ave Superfund ...
